

NATIVITY ANNUAL FUND

2009 - 2010 COMMITMENT FORM

[Personal and Confidential]

*Opportunity, achievement, success...
for the common good.*

The Giving Circles described below represent the vision and values that we bring to our work and strive to instill in our students, as well as our commitment to educate – in the Jesuit tradition – the whole person who understands that education not only transforms an individual's life, it calls one to be a “*person for others*”.

We invite you to visit Nativity to witness the difference your gift makes each day in the lives of our students. All donors are recognized in our Annual Report of Giving and will receive our Nativity Magazine and Nativity “*Progress Report*” Newsletter.

Benefactors who generously demonstrate their partnership in our mission through participation in our Advanced Giving Circles with gifts of \$1,000 or more receive invitations to special events including our *Experience Nativity* Breakfasts and Dinners.
